34F-15: Earmarked Funds for Freshman Class Town Hall Meeting

Sponsored by Victor Agbafé '19

Whereas the Freshman Class Committee is dedicated to adequately representing the freshman class which would include regular meetings with freshman constituents.

Whereas a flexible atmosphere where freshman students can meet their representatives will provide an opportunity for communication on current initiatives and an opportunity for freshman to air grievances and concerns.

Be it Therefore Resolved that the Freshman Class Committee allocates a maximum of \$325 for spending on food and a prize for the first freshman town hall meeting for the 2015/2016 Undergraduate Council legislative year on 10/27/15 in Ticknor Lounge which will be open to students and proctors who would like to come.

34F-16: Publicity for Harvard-Yale Shuttles

Ava Nasrollahzadeh, UC President

Dhruv Goyal, UC Vice President

Oliver Kim, Student Life Committee Chair

Whereas the HSA's shuttle program is the primary means of transportation for the Harvard-Yale football game at Yale for Harvard students;

Whereas HSA is running shuttles as a public service in collaboration with the OSL, splitting the profits (if any) evenly with the OSL;

Whereas this program has the capacity to transport over 2000 students;

Whereas tickets for this service are SEF-eligible and accessible transportation is available;

Whereas the Harvard-Yale game is generally a rollicking affair, and should be open to as many students as possible;

Be it therefore resolved that the President and Vice President of the UC shall mail-merge the student body on October 30 and November 16 to publicize this service.

Docketed unanimously by SLC, 10/24/15
