Whereas the Freshman Class Committee is dedicated to adequately representing the freshman class which would include regular meetings with freshman constituents; and

Whereas a flexible atmosphere where freshman students can meet their representatives will provide an opportunity for communication on current initiatives and an opportunity for freshman to air grievances and concerns; therefore

Be it resolved that the Freshman Class Committee allocate a maximum of \$325 for spending on food and a prize for the first freshman town hall meeting for the 2015/2016 Undergraduate Council legislative year on 10/27/15 in Ticknor Lounge which will be open to students and proctors who would like to come.
