**Whereas** the HSA's shuttle program is the primary means of transportation for the Harvard-Yale football game at Yale for Harvard students; and

**Whereas** HSA is running shuttles as a public service in collaboration with the OSL, splitting the profits (if any) evenly with the OSL; and

**Whereas** this program has the capacity to transport over 2000 students; and

**Whereas** tickets for this service are SEF-eligible and accessible transportation is available; and

**Whereas** the Harvard-Yale game is generally a rollicking affair, and should be open to as many students as possible; therefore

**Be it resolved** that the President and Vice President of the UC shall mail-merge the student body on October 30 and November 16 to publicize this service.
