**Whereas** the Pusey Library, located in a central Yard location, is currently used to house University archives; and

**Whereas** the space being utilized by the Pusey Library could be used as an inclusive, safe, and versatile social space; and

**Whereas** students on campus have vocally expressed their desire for additional safe social spaces on campus, and freshmen have no central space large enough to congregate and connect as a class; therefore

**Be it resolved** that the following question appear as a proposition on this year's UC Election ballot:

**Should the Pusey Library be transformed into a freshman-oriented social space?**
