**Whereas** Harvard's student groups provide valuable services to the undergraduate community; and

**Whereas** the Finance Committee is committed to allocate grants in support of student groups; therefore

**Be it resolved** that \$4,600.00 from the Large Venue Grants Fund be allocated to the following recipient projects; and

**Be it further resolved** that the Treasurer immediately disburse funds to these recipients; and

**Be it further resolved** that the Finance Committee may adjust allocations appropriately in response to new information provided on a Completed Project Form, but in no case to more than 150% of the allocation amount listed herein; and

**Be it further resolved** that the Finance Committee may impose additional penalties upon any Upfront Funding recipient who fails to file a Completed Project Form and submit all receipts for their event, including the rejection of future Fall applications by that recipient, unless the recipient's failure to file on time is due to an error by a UC member or the Finance Committee approves an extension; and

**Be it further resolved** that the Chair of the Finance Committee notify each recipient listed below of the decision of the Undergraduate Council regarding their grant application within 24 hours of this bill's passage, and provide each recipient with all necessary information for obtaining the funds allocated herein.
