2/21/16 Agenda

➢ Visitor from the University of Seoul's student government - curious how the meetings went and what our interests were.

Presidential Updates
➢ Faust very excited about GOHC! Great meeting
➢ GOHC - Grant for an Open Harvard College -> going live TOMORROW NIGHT
➢ Great town hall today - students very excited about it. Lot of interest.
➢ Cover photo change! This is the impression students are going to get of this grant. Sets tone and precedent. Need to go big this week.
➢ Title IX - met with coordinator for entire university and met with Emily Miller as well - town hall, March 1st, Tuesday, at 8 pm: conversation on what the actual policy is and why Harvard has that policy - why not affirmative consent?

Committee Updates
➢ Committees are doing very exciting things!
➢ Rules will be meeting at 4, not 3!
➢ SRC needs a lot of help door-dropping - around 8 pm.
➢ 2 meetings a week for FiCom

GOHC Publicity
➢ Printing nice posters at Gnomon
➢ Definitely enough money left in SRC budget
Passed by unanimous consent

Grants Pack
➢ Still slightly under budget - perhaps communication issue?
➢ Some secretarial errors
➢ Are people gaming the system??
➢ Should we think about sharing applications?
➢ TEDx supported by national organization - we don't fund speaker events? Cannot spend money on actual speaker, but can do other event things.
➢ Con: We made a decision last semester - face value tickets cost $200 and students were about $50. And that was a student discount. We were subsidizing that as the UC.
➢ Pro: Decided to treat this as a theater production. Without the moral aspect of their ticket charging - need to go back to application

- ➢ ***Amendment**: amend this legislation and give $0 to TEDx
  - ○ Last year we gave them 0.
  - ○ Has this already happened? Upfront.
  - ○ **Considering the vote: 37-1-1**
  - **Passes by a hand vote with 2 opposed, 1 abstaining**
- ➢ Amended with secretarial errors
- ➢ **Amending to give them 94 cents** - **not considered.**

Passed by unanimous consent

Food Festival Posters
- ➢ Way under budget for this event
- ➢ Under new rules, we do need legislation for this?
  - ○ Before, if under $200, entire Council did not vote for it?
  - ○ Apparently, before it was supposed to be that if under $200, Exec could vote on it

Passed by unanimous consent
