Whereas the Undergraduate Council last week passed legislation to support and publicize the GOHC; and

Whereas the GOHC aims to improve the lives of students at Harvard College; and

Whereas the Harvard student body currently does not know of the existence of this grant; therefore

Be it resolved that the Undergraduate Council allocate \$300 from the Student Relations Committee's budget for the publicity of this grant. This will be spent on the printing of door-drops, tape and advertisements on the UC Facebook page.
