- Will this change past referenda? No! Won't change results of past several years
- How do we implement policy based on successful referendum question?
Constitution + bylaws not very prescriptive
- Worries about jokes like Harvard turkey
- Voter turnout? This should just be an extra incentive

36F-18: Apley Court Ping Pong Table

- Will FDO be paying for repairs in the future?
- FDO wasn't willing to pay for it
- Make the ask going forward for FDO to do upkeep

Friendly amendment: change budgeted amount to \$350

- Should this be up to Yard Ops and etc. to maintain facilities? Similar to how the Houses maintain their own facilities

New Business: HalloWeekend

- Open to everybody!!
- \$3 fee to non-Currier residents? Can we stipulate they remove that?
- Why new business? They had a bad application to GOHC and we tried to work with them to go through SIC for funding
- They can include logo if we ask them
- Currier HoCo currently in the middle of discussion - willing to drop fee if we fund them
- Going forward, with other HoCo events? Case-by-case basis
- Friendly amendment - \$3 will be waived upon this funding
